Objection to Notice of Abandonment, dated 10/04/2005
10/690,740 "Shoulder-belt-portion guiding assembly"
Docket No: G6A1

Dear Mrs. Dunn,

2005-10-16

For sure, my substitute application, mailed on 05 Nov., was timely filed as a reply to the Office Action Summary, mailed on 22 October 2004, if the Legal-Instrument Examiners had accepted it. Would you please revoke the Notice of Abandonment due to the following reasons?

1. In order to properly resubmit the replacement pages, which were rejected, I've phoned Mrs. Graham. Why had she issued an Interview Summary to prolong the deadline?
2. In regard with 09/554,463 Mr. Culbreth issued a Detail action (Paper 20041119) on 11/23/2004 to demand for a two-month extension fee of \$ 215. His finding was wrong.
To your opinion I have missed the deadline. Why have you not sent me a Detail action to demand for a one-month extension fee?
3. Evidently, her letter, dated 02/24/2005, discloses no time limit of one month, but a statutory period of six months. Hence, the amendment is timely filed! Please read it. If it is correct, I don't need to pay any extension fee.

Thank you for your attention and help in advance.

Kind regards
